Atoka High School mourned the death of Brook Gould.

Brook was active in many school events as well as many rodeo events. Rodeoing was a special hobby of his. His talents in this area led him to becoming a member of the National Youth Rodeo Association. Brook will be missed by all.

A Tribute

The following is a poem dedicated to Brook Gould.

Brook

Our bodies are weary
from tears that we have shed.
Our minds still unbelieving
hoping we've been misled.
His presence though quiet
will surely be missed.
His face always smiling
will surely be blessed.
Our world has been made lonelier
through God taking one of the best.

WAMPUS CATS USE '85 FOR REBUILDING

The 1985 Wampus Cat Football Team only managed a 3-7 record during the 1985 football season; however, for the five senior members of the team, it marked the end of their football career. John Miller, Rob Crowley, and Jeff Grissom finished their career as Wampus Cats earning 3 varsity letters, while Paul Johnson earned two and move-in Dalan Larason earned his first letter during 1985. Miller and Larason received recognition on the All District 3A-8 Football Team, while Crowley and Grissom received Honorable Mention All District. *The Tulsa World* also honored Dalan Larason with selection to their All-State team as an honorable mention defensive tackle.

1985 also marked the end of Coach Wyatt's coaching career at AHS as he was named to college coaching position at the University of Wisconsin-Stout. Wyatt had guided the Cats for the past four years to a 23-19 record.

With the bulk of the team returning for the 1986 season, and Coach Lee's elevation to Head Football Coach, the outlook is optimistic.

The Fire of '86

The burning of the AHS Auditorium was definitely not a highlight of our year, but the students and staff showed their Wampus Cat Spirit in coping with this disaster. We'd rather remember 1986 for our good times: Our learning, our friends, our achievements, our trophies . . .
